To
The PGM Finance,
BSNL, Chennai.

Respected Madam,

Subject: Humble Request Regarding OTP and Long Stay Transfers in the Cadre of AOs and JAOs

Ref: No TNCO-11/20(14)/1/2022-HR UNIT – CO(176529) dated at Chennai the 19.03.2026

With due respect, we humbly submit this representation regarding the ongoing OTP and Long Stay Transfers in the cadre of AOs and JAOs.

We earnestly request your goodself to kindly consider all the OTP requests sympathetically and also take into consideration the options called for through email by the Administration Section of the Circle Office while finalizing the transfers.

It is further humbly requested that the transfer process may kindly be carried out in a transparent, fair, and impartial manner strictly in accordance with the guidelines issued by the Corporate Office, particularly with regard to immunity cases and medical grounds.

If the OTP request is considered and fulfills the vacancy arising in the required BAs, the long-stay transfer may not be considered and if needed we sincerely request that the long stay transfer guidelines may kindly be implemented in their true spirit without any deviation or partiality so as to ensure equal and fair treatment to all officers concerned.

Further, we humbly request your goodself to kindly consider the aspect of sensitive post rotation also while effecting the transfers, as the same has not been implemented for a considerably long period across the Tamil Nadu Circle, particularly in the Circle Office. We respectfully submit that timely rotation of officials in sensitive posts, in accordance with the prescribed norms and administrative guidelines, would promote transparency, fairness, administrative efficiency, and equal opportunity among officers. Hence, we earnestly request that suitable action may kindly be taken in this regard while implementing the present transfer exercise.

We have complete faith in your able administration, wisdom, and neutral decision-making in implementing the long stay transfers. We sincerely hope and request that the entire process may kindly be executed in a fair, transparent, and clean manner, upholding the principles of justice, equality, and organizational ethics.
